The local Manager of the A.P. and Press Trust of India tells me that, as desired, he was regular in sending copies of news telegrams at the stipulated hours for the use of H.E. the Governor-General.

It would be a nice gesture if the Chief Secy to the Govt wrote to the local Manager (Mr T. Ramakrishna) to say how much the Govt appreciated this service on the part of the news agency. There has been no payment made but a letter of thanks from the Govt would, I submit, be timely.

Subject :- Teleprinter news service to the Residency while H.E. the Governor-General of India stays in Bangalore.

1) I had a talk with the local manager of the A.P. and P.T. of India on this matter. He says he has only one spare machine in his office which may have to be requisitioned anytime a breakdown occurs in any of the newspaper offices subscribing for the news, in which case, spare copies cannot be readily sent to the Residency. But, he says, this is only a contingency and may not materialise at all. He would be happy to send news at regular intervals during the day, say 8 a.m., 12 noon, 4 p.m. & 8 p.m. every day, provided the Govt can make arrangements for a cycle orderly to be at his office at the hours mentioned. He requests that this may be treated as an unofficial arrangement, since, for the reason stated above, he cannot give a definite undertaking to supply the news regularly, but he will do his very best to see that news is supplied as frequently as possible.

2) If appd, the C.B. may kindly make arrangements to post an spl. daily one cycle orderly for this purpose. She is to be given the necessary inner cordon pass or emergency duty permit etc. Chief Secy) SS 7/5

30th April 1949.

Dear Mr.Srinivasan,

Thank you for your D.O.No.8679/CB. of the 28th April 1949.

2. The party who will be arriving in advance at the Bangalore City Station by the Bangalore Mail at 7.10 a.m. on the 16th May 1949, will consist of Sri S.S.Paul, Transport Supdt; Sri B.Sircar, Official Photographer; Inspector S.P.Kripalani, and about 15 class IV personnel (bearers, ~~and~~ office chaprassis). I should be grateful if arrangements could be made for this party to be met on arrival and conveyed to the Residency Guest House.

3. The air party arriving at Hindustan airfield at 11.10 a.m. on the 16th May 1949, will be composed of the following:-

1. His Excellency the Governor General.
2. Sri Devadas Gandhi.
3. Srimati Namagiri.
4. Colonel B.Chatterjee, Mily.Secy. to the Governor General.
5. Capt.Devendar Singh, ADC.
6. F/Lt K.L.Suri, RIAF, ADC.
7. Sri V.D.Iyer, P.A. to the Governor General.
8. Sri V.Ramachandran, Tour Supdt.
9. Two Bearers.
10.
11. One Khidmatgar.

4. I should be grateful if details with regard to those who will be present at the airfield to receive His Excellency the Governor General on arrival, the order of presentations and also a suggested car-plan from the airfield to the Residency Guest House, could be forwarded to me by return air-mail post.

If there is to be a Guard of Honour at the airfield for His Excellency's inspection, please let me know which unit it will consist of. The Inspection will, ofcourse, be carried out after the presentations have taken place, immediately after His Excellency's arrival.

5. The aircrew of the Governor General's Dakota will consist of 5 officers. It would be greatly appreciated if transport could be arranged for them from the airfield to the place where they are to stay during His Excellency's visit, which it is presumed will be the West-End Hotel as on the last occasion. Could this transport please be placed at their disposal during the period of the visit, or, if this were not possible, on occasions when it is required by them to inspect the aircraft whenever such inspection is considered necessary by them.

6. In arranging accommodation for the Governor General's party it would be greatly appreciated if the Ministerial Staff could also please be put up in suitable small rooms of the Residency Guest House itself, as living in tents during what would definitely be the hottest period of the year in the South, may be rather uncomfortable. If there are any out-houses within the Residency compound, in which the Class IV personnel could conveniently be accommodated, it would be a kindness if arrangements could be made accordingly.

Yours sincerely,

Dear Col. Chatterjee,

I am desired to acknowledge the receipt of your letter No.4044 dated 30th April 1949 and to say that arrangements are being made as desired therein for (1) having the train party met on arrival on the 16th May 1949, and conveyed to the Residency Guest House, and (2) the aircrew of the Governor-General's Dakota to be provided with accommodation and transport as on the last occasion. Arrangements are also being made to provide accommodation for the ministerial staff and Class IV personnel in rooms attached to the Residency to the extent possible. There are no out-houses attached to the Residency where they can be accommodated, and in the circumstances, it may be necessary to put up some of the staff in tents. Arrangements are however being made to erect the tents in shade. Living in tents may not be so uncomfortable as is feared.

I am to enclose herewith a copy of the list of officials and non-officials who will be present at the Airfield to receive His Excellency on arrival and also a note showing the order of cars from the airfield to the Residency. The order of presentations will be indicated later.

I am to add that there will be a Guard of Honour at the airfield for His Excellency's inspection, and that this will be provided by the Q.V.O. Sappers and Miners, R.I.F.
